**Relationship:** the informant

**Agency:**

The Adult Self-Report for Ages 18-59 (ASR 18-59) was completed by the adult, to obtain her perception of her adaptive functioning, substance use, and problems.

On the ASR/18-59 - Adaptive Functioning Scale Scores, the adult's scores on all rated scales were in the normal range. The adult's score on the Mean Adaptive scale was in the normal range. The adult's score on the Personal Strengths scale was in the normal range.

The adult reported using no tobacco in the past 6 months. It was reported that the adult had not been drunk. The adult reported using no drugs for non-medical purposes during the past 6 months. On the Substance Use scales, the adult's scores on all rated scales were in the normal range. The adult's Mean Substance Use score was in the normal range for self-reports by women aged 18.

On the ASR 18-59 problem scales, the adult's Internalizing Problems, Externalizing Problems and Total Problems scores were all in the normal range for women aged 18. Scores on all rated syndrome scales were in the normal range. The adult's scores on the Critical Items are listed in the box below. The sum of the adult's scores on the Critical Items was in the normal range.

On the ASR/18-59 - DSM-Oriented Scales, the adult's scores on all rated scales were in the normal range. On the Attention Deficit/Hyperactivity subscales, the adult's scores on all rated scales were in the normal range.

### Critical Items

In addition to the scale scores, it is important to consider scores on individual problem items. Because they may raise particular challenges for management, it is especially important to note the problems listed below that were reported with scores of 1 or 2. Look at comments made by the informant on the form in relation to these problems to obtain more information about risks associated with the problems and the contexts in which the problems occur.

<u>Score</u>	<u>Problem Item</u>	<u>Score</u>	<u>Problem Item</u>	<u>Score</u>	<u>Problem Item</u>
0	6.UsesDrugs	0	21.DestroyOther	0	90.GetsDrunk
0	8.Concentrate	0	40.HearsThings	0	91.ThinksSuicide
